Hey Bud, let's party!! no seriously, I'm really
glad you and I got to be good friends.
you were always the perfect person to
talk too on and to get certain
information out of!! Well seriously we have
to get together this summer and
party it up. (maybe someday with
but I dought it) you'll
Dean - too,
have to call me at my dads cause
its so far away and I always get
bored and lonesome. 351-3033 don't
forget Bud,!!! thanks for being such
a great friend, and helping me
out with my problems and fucked
up life, when you could. someday
I'll be endlessly happy and
you won't even recognize me. but that's
someday.
Just think I'll be a big (short) short
Senior and you'll be a tall
junior next year, and that's totally
cool. Have a great summer and
keep in touch, I'll miss you at noon
lunch when I wake up at
everyday - you and your hostess,(2073)
chips, cheez snaps (2073) sandwich (etc.)
Well Bud, I gotta go but
you try and be good (I know
how hard it is)

VARSITY FOOTBALL . . .

With a 54-0 thrashing of the Ritenour Huskies, the Varsity Football Statesmen got off to a fast start and never looked back. Their only loss in the regular season was to the S.L.U.H. Junior Bills. The Statesmen reached the state semi-finals and lost to the Hazelwood Central Hawks 14-0 before an estimated crowd of 10,000.

Leading the offense were Dennis Evans and Quintin Parker, who combined for a toal of 2,600 yards with the help of Tony Cloud and Edwin Coleman. "No one back was spectacular, but together we formed one of the best backfields in the state," said senior full-back Dennis Evans.

Even though the offense was devastating, the tops-in-the-state defense, led by ends Jerry Stanfield and Clarence Meriweather, was crucial to the team's success. Linebackers Mark Pankoff, Carl Banks, and Tony Johnson cemented the middle, while linemen Earl Cookson, John Cardinali, and Clint Williams held the line of scrimmage. Safety Bryan Gilmore kept the secondary together, along with newcomers Jimmy Farrar and Aaron Sheppard.

Several members of the Statesmen team received All-District honors, including linemen Matt Buss, Johnny Thomas, and Dave Peacock, as well as linebackers Mark Pankoff and Carl Banks.

The 1985 Co-ed Cross Country team finished with a record of 4-2. They finished third in their conference, fourth at district and the girls finished 12th at sectionals with the boys coming in 15th. The runners feel that they had a worthwhile season. They gained valuable experience with several runners returning next year. Junior Wendy Warford said, "I think part of what made this year's Cross Country team special was the fact that each runner was so different. We all worked together to help each other, and keep each other going."

A few of the standouts on the team were seniors Bryan Jaynes and Jon Minney, and freshmen Sara Thorne and Aaron Smith. Two runners, Jon Minney and Sara Thorne, ran in the State Meet and finished 47th and 59th respectively.

GIRL'S GOLF

Webster Groves has been the dominant team in girls golf the past w seasons, winning the last two state titles. With a 9-1 season this ar the Stateswomen went to the A.L. Gustin Junior Golf Course in olumbia October 21-22 and came in second in the state tourna-ent. Coach Phil Wojak said, "We're good but not as good as we've en the past two years. We got the top girls but we didn't have the pth."

Once again Wojak's team had the women needed to grab the title. ebster had by far the best team on this side of the state and obably the top team in the St. Louis area. For state competition ojack had a minor problem. Webster had four above-average ayers and only the top four scores are counted in the state meet d most other major tournaments. But it is the fifth spot that had ojak worried. Should one of his top guns have a bad day, he eded someone who could take up the slack.

Junior Chrissy Morris is a very strong player and is capable of oring in the mid-30s. Junior Bitsy Bergman is another well-round- performer. "She does just about everything well," Wojak said. Seniors Abby Alt and Lynn Williams rounded out the "big four." illiams played in the No. 3 spot. Putting was her strength. Alt had a t of good, natural ability according to her coach. Junior Marney lement, junior Debbie Eade and freshman Kerry Moser battled for e No. 5 spot.

"Our girls, for the most part, are really dedicated." Wojak said. hey got a lot of help from their parents too. Everybody contributed help make this program a success."

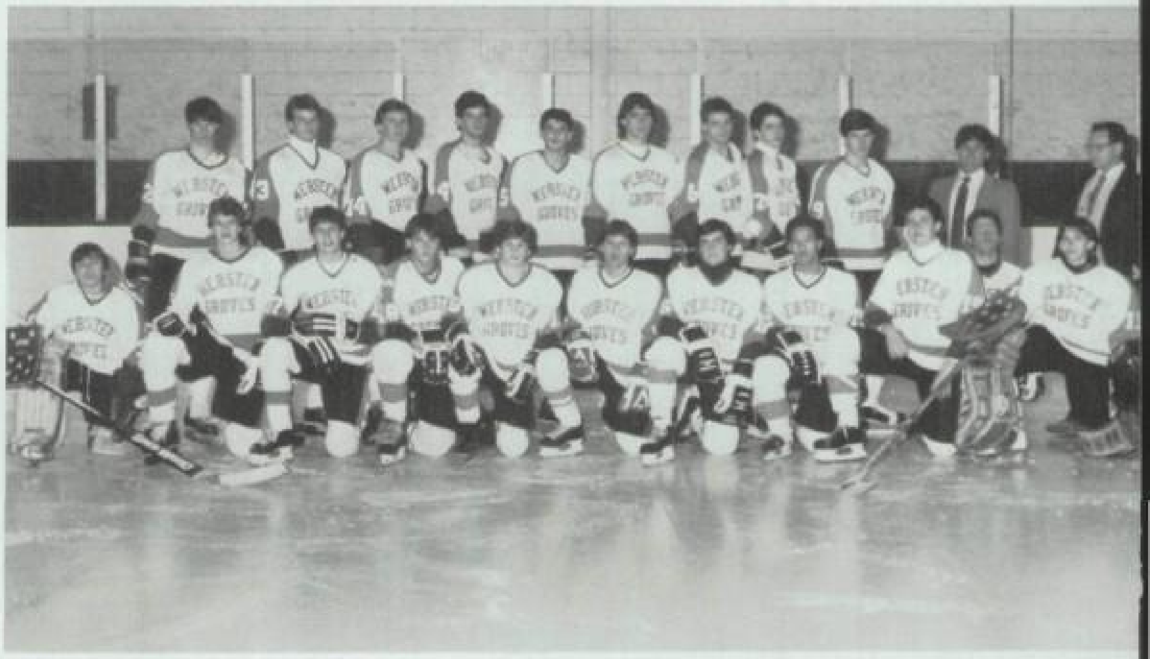
SKATESMEN CLINCH DIVISION TITLE . . AGAIN

The 1985-86 Varsity Skatesmen clinched the South Division Title for the second year in a row after defeating Lindbergh 5-3, under the supervision of head coach Dave Garth and assistant coach Joe Bante.

Sophomore Chris Wilhelm led the South Division in scoring and teamed up with the very consistent offensive threat of Brian Williams and assistant captain Jim Biggs. Despite his size, freshman Corby Manes was the teams second leading scorer and teamed up with junior Chad Caruthers and senior Mark Pankoff, the hardest hitter in the league.

The defense was led by seniors David Boyce, assistant captain John Ekey, Matt Stewart, utility man Jim Kroenlein, and junior Mike Alexander. Boyce and Ekey were both very offensive defensemen and lead the defensive striking while Stewart played a very sturdy defensive role.

The Skatesmen finished the regular season with a divisional record of 10-1-1, losing only to Mehlville. The Skatesmen were also the highest scoring team in the South Division.



Front row: Steve Casinger, Scott Williams, Bill Thomas, Jim Purvis, Brian Blake, Corby Manes, Jon Baetz, Mike Alexander, Ted Haase, Dave Hayden (mascot), Lan Dodson. Back row: David Boyce, Jim Kroenlein, Chris Wilhelm, Mark Pankoff, (captain), Jim Biggs (assistant captain), Matt Stewart, Brian Williams, Chad Caruthers, John Ekey (assistant captain), Dave Garth (head coach), Joe Bante (assistant coach).

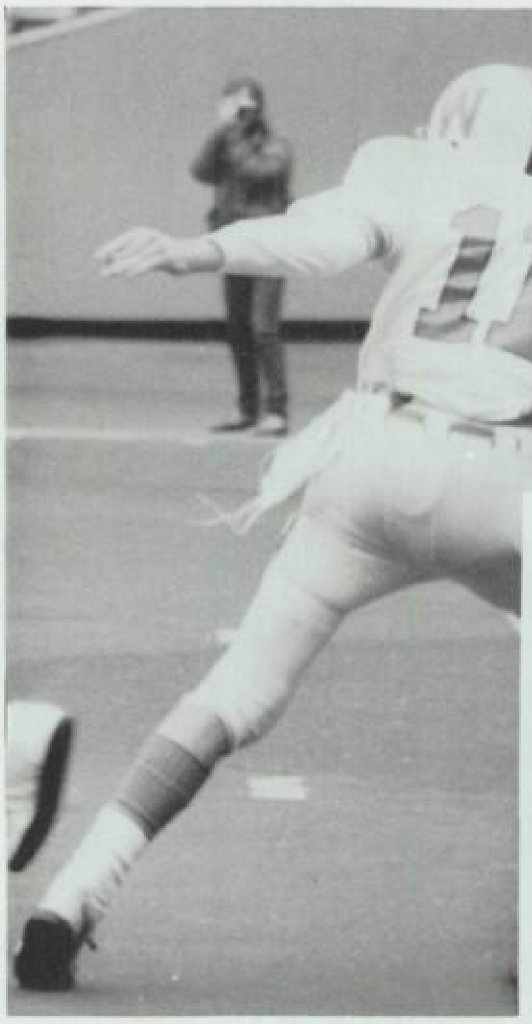
Turkey Day



Junior quarterback Tim Stephens hands the ball off during Turkey Day.

Injured tailback Quintin Parker is helped off the field at Busch Stadium.

Clint Williams, Carl Banks prepare to make a defensive charge.

Bryan Gilmore's duties for the Webster Groves High School football team were to make certain that no opposing wide receivers go into the Statesmen's end zone. He was listed as a wingback, but he had started the season as a safety and had expected to end the season, and his career, that way. But when Dennis Evans was sidelined with a shoulder injury, Gilmore moved into the starting offensive backfield. He made quite a debut in Webster's finale as his 87 yard run on a reverse in the fourth quarter put the Statesmen ahead fo good in their 28-14 triumph over Kirkwood in the 71st annual Turkey Day game at Busch Stadium on Friday instead of Thursday because of wet grounds at Kirkwood.

"Quintin Parker and Tony Cloud provided some great blocks downfield," said Gilmore. "I saw where they were going and decided where to make my cuts. I knew they weren't going to catch me." And Kirkwood didn't.

Despite the disparity in records, Kirkwood finished at 4-6 and Webster 11-2, the Pioneers weren't going to go down without a fight Instead of facing another deficit, the Statesmen gained their 40th victory in this series. Kirkwood has won 26: there have been 5 ties

To put the rivalry in perspective, Gilmore was asked if he would have rather beaten Hazelwood Central in the 5A semifinals or Kirkwood on Friday. His answer, "Both."

1985 CANNED FOOD DRIVE

The 1985 Webster Groves High School canned food drive was, once again, a big uccess. This year students collected 6357 cans of food plus $315 in cash. There were eight classes that collected over 100 cans, our classes collected 200, three classes collected 300, two over 400, one over 500 and two over 600. The top two classes who collected over 800 were Mr. Muth's class and Mr. Horak's class who collected 877 cans and 922 cans respectively. Although Mr. Horak's class had the highest overall otal Mr. Muth's class had the highest cans-per-student ratio at 45 compared to Mr. Horak's class at 40.

This year the canned goods were delivered to Emmanuel Episcopal, Douglas Mannor and Webster-Rockhill Ministries.

Jennifer Shugert, Tim Beninato, Kristan Mont and Didi Boedicker delivering cans to the collection area.

Emerald Greene, Phyllis Jeter, Jennie Alexander, and Rita Andrus are proud of the cans they helped collect.

Last November, the 1985-86 Art Club traveled to Chicago for the annual Portfolio day. The Chicago Art Institute sponsors this activity each year. Marilynne Bradley, Art Club sponsor, took the group via Amtrak for a full day of museums, Sears' Tower, Watertower Plaza and a chance to meet the representatives of the best art schools in America.

Everyone enjoyed themselves, and next year's trip has already been planned.

S.A.A.

SAA is a student organization started in 1968. It was originally named Students for Black Awareness and Action. The Webster Groves High School chapter of SAA meets once every week. This year instead of having the usual assembly in the high school auditorium, SAA celebrated Martin Luther King's birthday by attending a memorial assembly at Keil Opera House sponsored by Majic 108 radio station. Present at the assembly were congressmen, senators and local area news reporters. Over 3,000 students from area schools attended the assembly, which also included entertainment and a film on the life of Martin Luther King. Later in the year WGHS Students for Awareness And Action will sponsor a talent show.

DECA

Distributive Education Clubs of America

What is DECA?

DECA — Distributive Education Clubs of America — identifies the program of student activity relating to Distributive Education and is designed to develop future leaders for marketin and distribution.

DECA is the only national student organization operatin through the nation's schools to attract individuals to careers i marketing, merchandising, and management.

Objectives are (1) to develop education in marketing an distribution which will contribute to occupational competence and (2) to promote understanding and appreciation for th responsibilities of citizenship in our free, competitive enterprise system.

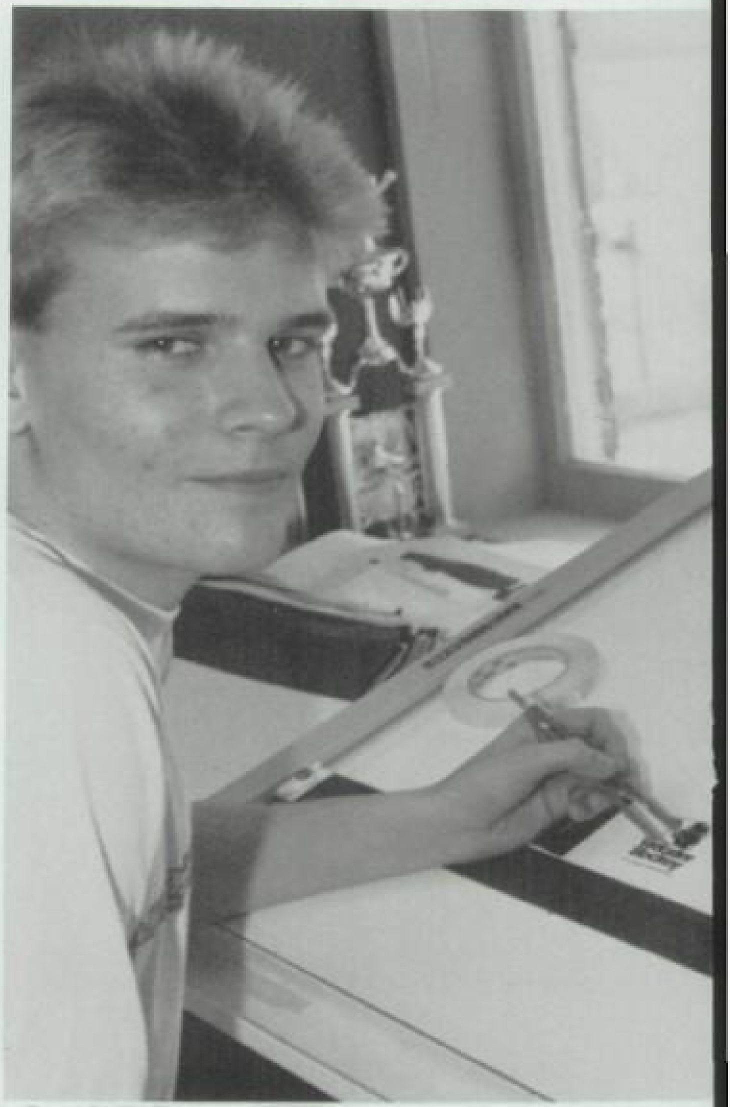
WEBSTER COMMUNITY CAMPUS

Scott Olson works at the Rock Hill Municipal Building as a assistant court clerk.



Jeff Herschel is on the job training to be a commercial artist. He designs logos, and graphics on the equipment at Blake Graphics on Big Bend.

Webster Community Campus (WCC) is now in its 15th year as a very unique opportunity for juniors and seniors to do volunteer work in their community.

Virtually offered any two hours of the day, the course is designed mainly for students who wish to pursue job interests and career choices.

Sponsored by Ms. Vera Imse and Ms. Kay Wojak, WCC also has many expectations. Weekly reports are due, which sum up the students learning experience of that particular week. Attendance records and reports from their bosses are all in their final grade.

Senior Kim Schmitt expressed herself, "I work at the Webster Groves Elementary Computer School for WCC. I get to work with the kids and the computers. It's a lot of fun."

Amanda Watson is an Teachers Aid at Hudson Elementary Schools. She works individual with the students at Hudson.

This year's debate team was exceptionally different from those of the past. To start, the fifteen member team was comprised of only two varsity members, Wendy Warford and Chuck "Smash Man" Fuller. The team also had an unusually large number of Cross-X teams who debated the policy resolution of water in the U.S. The other seven debaters debated the Lincoln Douglas topics of immigration and "living on knees vs. dying on feet." The Webster Groves High School 1985-86 Debate Team should also be remembered for the fun and enthusiasm it radiated throughout the season. The most notable tournament attended by the team is the Vianney Tournament where Rebecca Carlson, Abby Alt, and Sara Sallenbach all took home trophies for their first ever tournament. Rebecca won second place, and Abby and Sara tied for third, all three were in the novice division of Lincoln Douglas.

In June of this year the Thespian Troupe 191 will send delegate to an International Theatre Conference on th campus of Ball State University. To support Thespian activities Turkey Day Shakers, Blinkie Buttons and flowers wer sold. On December 28, 1985, the Thespians hosted a te for Alumni at the home of Gretchen Glock. The Thespian were guest of the Theatre Project Company for Sunda matinees and attended these performances: "Extremities' "To Kill a Mockingbird", "Artichoke", "A Delicate Balance", and "A Frog in His Throat".

The Troupe acted in and staffed the crews for all thre productions this year and some twenty-five new member were added because they earned the 100 hours of participation.

SLB

The SLB is the student government link between the student body and the administration. Ideas for change in school policy are brought to the SLB by students and are discussed and evaluated. If they are judged to be potentially beneficial to the school as a whole, they are brought to the principal for his consideration. Likewise, when the principal wants to get the "feel" of student reaction to proposed changes, he comes to the SLB with the plan and asks for their help in determining the student body's feelings.

During the past year the SLB sponsored a Club Day. Major committees for the year dealt with student morale and welcoming voluntary transfer students. Among the SLB's annual activities for the year were chartering and rechartering student organizations, distributing Board of Control funds, and running student government elections.

Senior S.S.C.

Senior S.S.C., under the leadership of Miss Dubail and Mr. Horak, has had a successful year planning for a wide variety of **Senior** activities. Matt Buss, the president, has led the group in projects including the sale of Turkey Day mums, senior Turkey Day decorations, planning for Prom (selection of site, music and menu), planning for Senior picnic, etc.

In order that the senior year activities are successful, the key lies in a well organized S.S.C. from freshman year onward. The S.S.C. group has been busy over the years with various fund-raising activities, and at present, the financial picture looks good.

Senior S.S.C. member Julie Oppermann, along with non-S.S.C. member Kim Ray, did a fantastic job in planning senior line dance. Special nods should go to Jennie Alexander and Amy Eckert for their parts in building and/or designing Turkey Day decorations. Also, special recognition to Jenny Barbush for her leadership role.

This year's 1985-86 Model United Nations was led by juniors Samantha Richert and Sara Sallenbach. "Sam really deserves all the credit", Sara explained, "she's the one who really does all the work and keeps it together. She's great!" Model U.N. is a club of about seventeen St. Louis area schools. These schools meet three times a year to debate current issues much like the real United Nations on which it is based. Students in the club are given a country. At the general assemblies, where all schools meet, students do their best to represent their countries in the same fashion as the country would represent itself in the real U.N. Some of the countries represented by WGHS in the General Assemblies were the USA, New Zealand, Luxembourg and Zimbabwe. Why do students like Model U.N.? One delegate explains, "It is a chance to meet some really interesting people from different schools. You can also learn a lot."

Echo investigates alcohol availability

store.

After talking to Webster's Chief of Police Gene Young, and discussing it with Principal Jerry Knight, two Echo reporters and staff advisor Beth Ann Brady went to several local businesses to gain firsthand experience trying to "buy" alcohol.

The purpose of the trips was to determine the validity of Echo survey results and the accessibility of alcohol to minors in the Webster Groves area.

At each store one reporter selected a six pack of beer and his money and "went out to the car to get it," never to return.

The reporters went to a total of 13 businesses. They were "served" at five, or 38 percent. Of six grocery stores, they were served at four. One of three liquor stores served them and they weren't served at any of the four convenience stores they went to.

Following "the investigation," Echo reporters contacted several of the stores they had visited. Managers of the stores said they employed strict policies concerning the sale of alco-

played a sign that said they only accepted valid Missouri drivers' licenses. However, when asked about the store's policy the store manager, in contradiction to the sign, replied that they also accepted Missouri State ID's. "Anything with a state seal."

The manager of one grocery store said, "That's not a problem here, we card everyone." What she failed to realize was that a 17-year-old reporter had been served at her store only five minutes earlier.

A Month In The Life Of The ECHO Newspaper

as compiled by Mrs. Brady

Week 1: Story ideas due, ten from each of the 18 staffers. Ideas are thrown around, some pitched, some given the go ahead. Reporters decided major stories. This issue will focus on how easy or difficult it is for teens to get alcohol.

Twenty phone calls: Webster Groves Police Chief, I.D. photo studies all over the city, grocery stores, convenience stores, liquor stores. Seven hundred students were surveyed asking where drinking teens obtain liquor. These surveys were collected and tallied.

Week 2: Drive downtown and get fake I.D. (no problem). Visit 13 area businesses to see if teens can buy liquor. Two evenings worth of driving we write up the results: over ⅓ of the stores were ready to sell liquor to reporters. Eye-opening. Write stories.

Type stories on computers in business department, revise, send to typesetter, rewrite.

Week 3: Layout. Construction crew is housed in Echo's layout room. Move wheelbarrows, lunchboxes and dollies to work. Eighteen page editors try to lay out pages on two small tables. Deadline looms large. Looks like a strong paper; alcohol stories especially look good.

Week 4: Somehow, deadline is met. Paper is printed — looks fantastic! Staffers are proud — with reason.

Sell the ECHO. Sales are up, but still not GREAT (as always). Mr. Knight makes monthly visit to staff. Compliments mostly positive.

Staff critique the paper. So many mistakes. Page 1 has a crooked headline, name is misspelled on page 4, pictures could be better, should have talked to another source in the football story, and on and on. Next month will be better.

Week 1: Story ideas are due . . .

AFS (American Field Service) is a club that sponsors foreign students each year. Students in the club have a genuine interest in other people's homelands and customs. To earn money for partial support of the AFS students, the club sells pizzas in the fall and winter. They also sell flowers at Christmas and Valentine's day. The club sponsors an international day every fall. Other exchange students come to our school to experience our day, and share information about their country and customs.

Membership in the National Honor Society is open to senior and second semester juniors who have a 3.75 or higher cumula tive grade point average. Students who meet the scholastic re quirements are invited to apply for membership and are evaluat ed by the faculty council on the basis of leadership, service, an character. Once selected, members must maintain these stan dards.

This year's NHS members participated in two service project They conducted a health energy survey sponsored by Missour Energycare, Inc., a non-profit organization which helps the poo cope with energy-related problems. In March, the members or ganized their annual blood drive.

Officers for 1985-86 were President Carol Davis, Vice Presi dent Jackie Perez, Secretary Matt Buss, and Treasurer Phylli Jeter. The faculty sponsor for the National Honor Society is Ms Lindberg.

Public Affairs Club

ront row: Rita Andrus, Betsy Bruhn, Mary Otto. Second row: Mr. Webb, Brian Eliceiri, Abby Collins, Gerry Costello.

The purpose of the Public Affairs Club is to help students become better informed about vital issues facing the people of the world.

Members of the club plan symposia (workshops) on public issues. Usually at least four symposia are planned for a school year. Significant local, state, national, and world issues are possible topics for the workshops.

Quality rather than quantity is the aim of the club. The club members try to bring top names to campus to make presentations. Last year Lieutenant Governor Harriett Woods accepted the club's invitation to address the student body about important state problems. Whenever possible debates are presented on significant issues. Also, the club rents excellent films and video cassettes on current topics of interest.

Club membership is open to all classes. However, in order to be a member a student must have a C average and be recommended by either a social studies or an English teacher.

SADD

The goals of SADD are to eliminate drunk drivers and to save lives, alert students to the dangers of drinking and driving and conduct community alcohol awareness programs. To attain these goals, Pat Tilley of the football Cardinals addressed the varsity athletes, Sept. 30, 1985, and parent night, Dec. 11, 1985, was productive and successful for both the parents and the students. Being discussed is the special project at Hixson Junior High involving all eighth grade students. SADD's most ambitious venture is to unite and centralize all of the metropolitan St. Louis area SADD chapters (including Eureka). This will aid in unifying the attempts of reaching its goals. We hope this may be accomplished by the end of the 1986 school year.

This year the 1986 ECHO yearbook staff was almost completely new. Despite their inexperience the staff was full of enthusiasm and got to choose their own assignments including layout, photography, artwork, writing and editing their own work.

For the first time varsity sports teams were presented by individual shots instead of the traditional group picture. This guaranteed representation of all team members. The cover concept was designed by Jennifer Lark and photographed by Norman Hoffmeister, yearbook sponsor. After four years, the senior section in color has become a tradition. Using Herff Jones Yearbook Co. for a second year allowed this year's book to sell for only $18.00.

The staff and their sponsor hope we have put out a yearbook to be remembered and enjoyed.

Robert
This was
a pretty wild
year. It went by
so fast but I'm glad
you found time for us
to become friends. I know
you loved having Mr. Kurtin
for a teacher so don't deny it. Next
year your going to come to some of
my soccer games (if I make the team.) and
give me some pointers. I know your
going to make the best of your summer
but to party too much that you forget me.
I hope to see you over the summer and you
better call.

Love ya lots
Jenn ☺

THANKS FOR THE MEMORIES

Robert,
what's up?
gosh hasn't
math been a
beast w/ Mr. Zettler?
;) hahaha! Devo he
:) you have so much!! (in
the halls) well i don't
know how to really write
in this so, have a good
summer. i know i'll see ya
around. Good luck w/ your girlie!
luv ya,
Shannon

☺ Smile!

– & you
better say
'hi'!!

Robert,
Well I've known
you for three years
now and every year
(so far) you have been
crazyer then ever. It's
been real fun in math
class (when both of us came in)
Hope I see ya over the
summer and see if we
have any classes together
next year.
Love,
Michelle D.

Robert –
It's been an interesting
experience knowing your
studly self. You are a
sweet person and I'm
sure you'll find a really
great girl soon!
Be good.
CATCH A WAVE.
CU this
summer.
Love,
Sarah (Campbell)

Rober
Well, I m
it through fresh
year pretty well, a
you thinks. It's too
bad we didn't get any
classes together, but there's
always 2 more years. I hope
to see you over the summer.
Best wishes
Love,
Michelle ++

Robert,

What's up. Nothing much here but sitting in Algebra. This class is seriously fucked but it was real fun seeing you and everybody else get in trouble but it was pretty ~~fun~~ cool. But take care of yourself in the summer and STAY OUT OF TROUBLE (young man)

Kathy
COOKSON

Robert,
Hi. ya doing?
Hope you have a great summer. It was fun having ya in Math. See ya around.
Elizabeth
